

Postnatale prøver 1961-2022

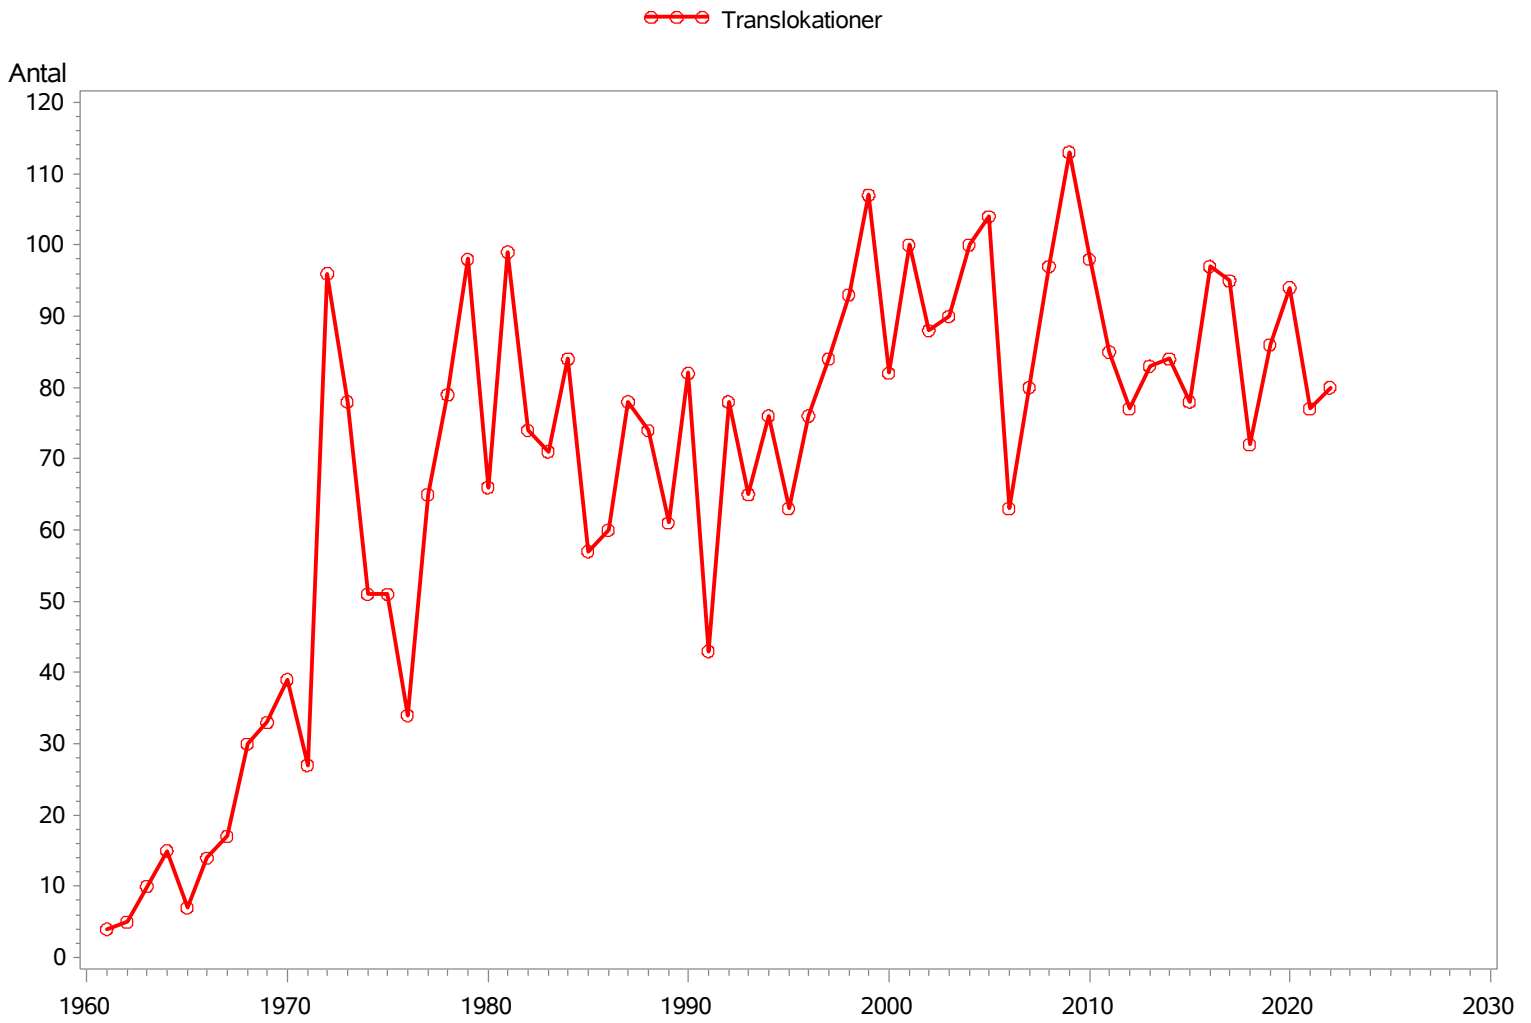

Diagnostiserede kromosomanomalier registreret i DCCR pr år

Deletioner

Postnatale prøver 1961-2022

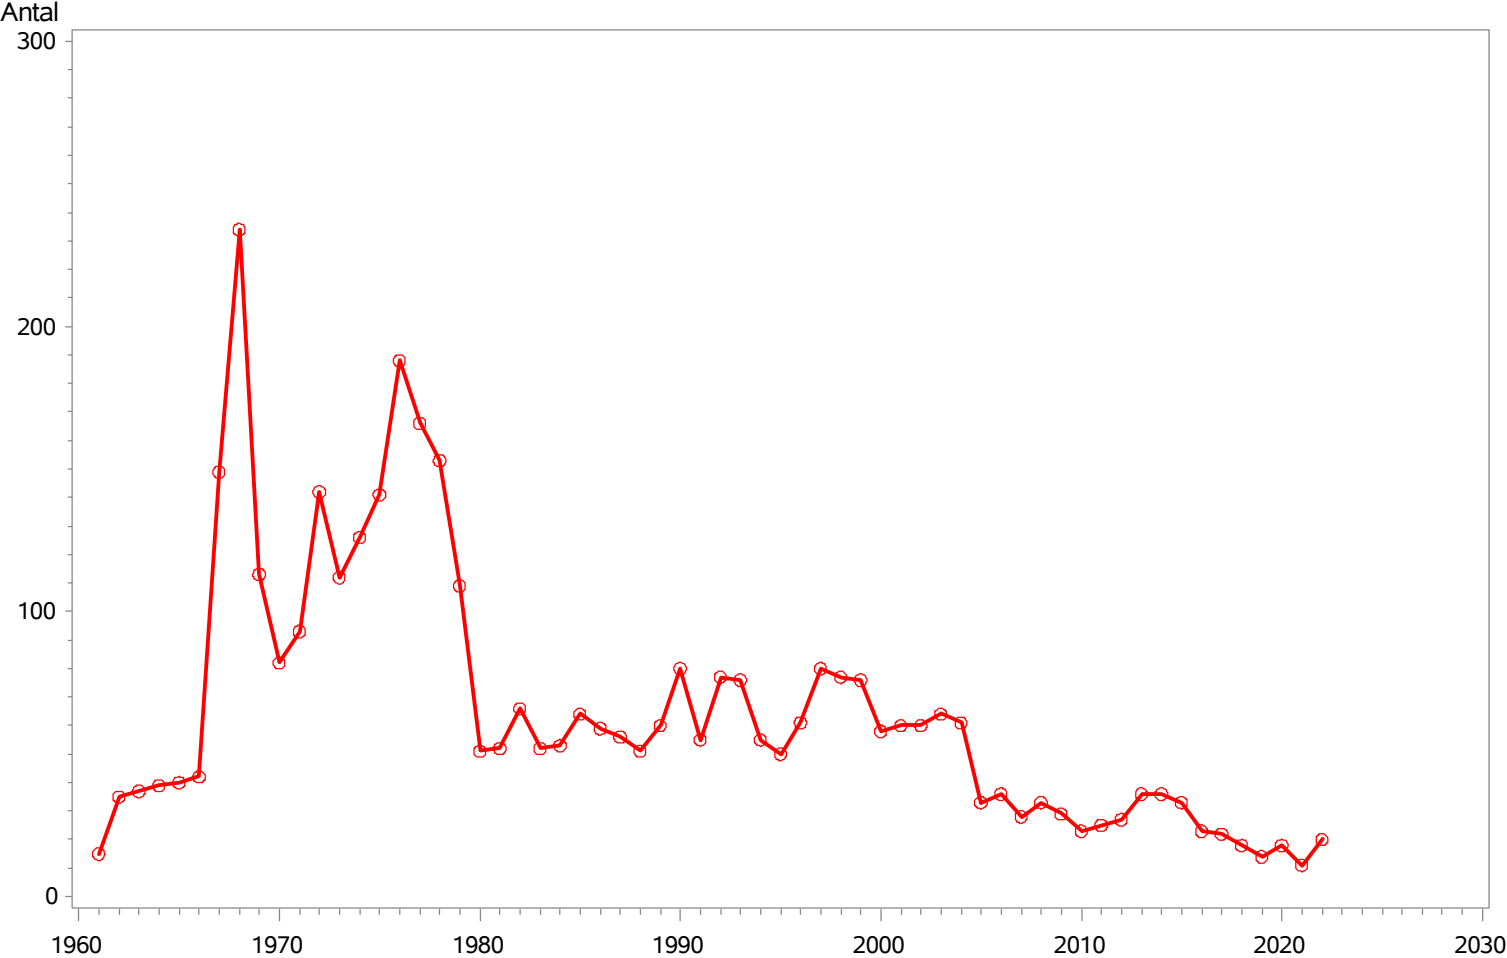

Diagnostiserede kromosomanomalier registreret i DCCR pr år

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

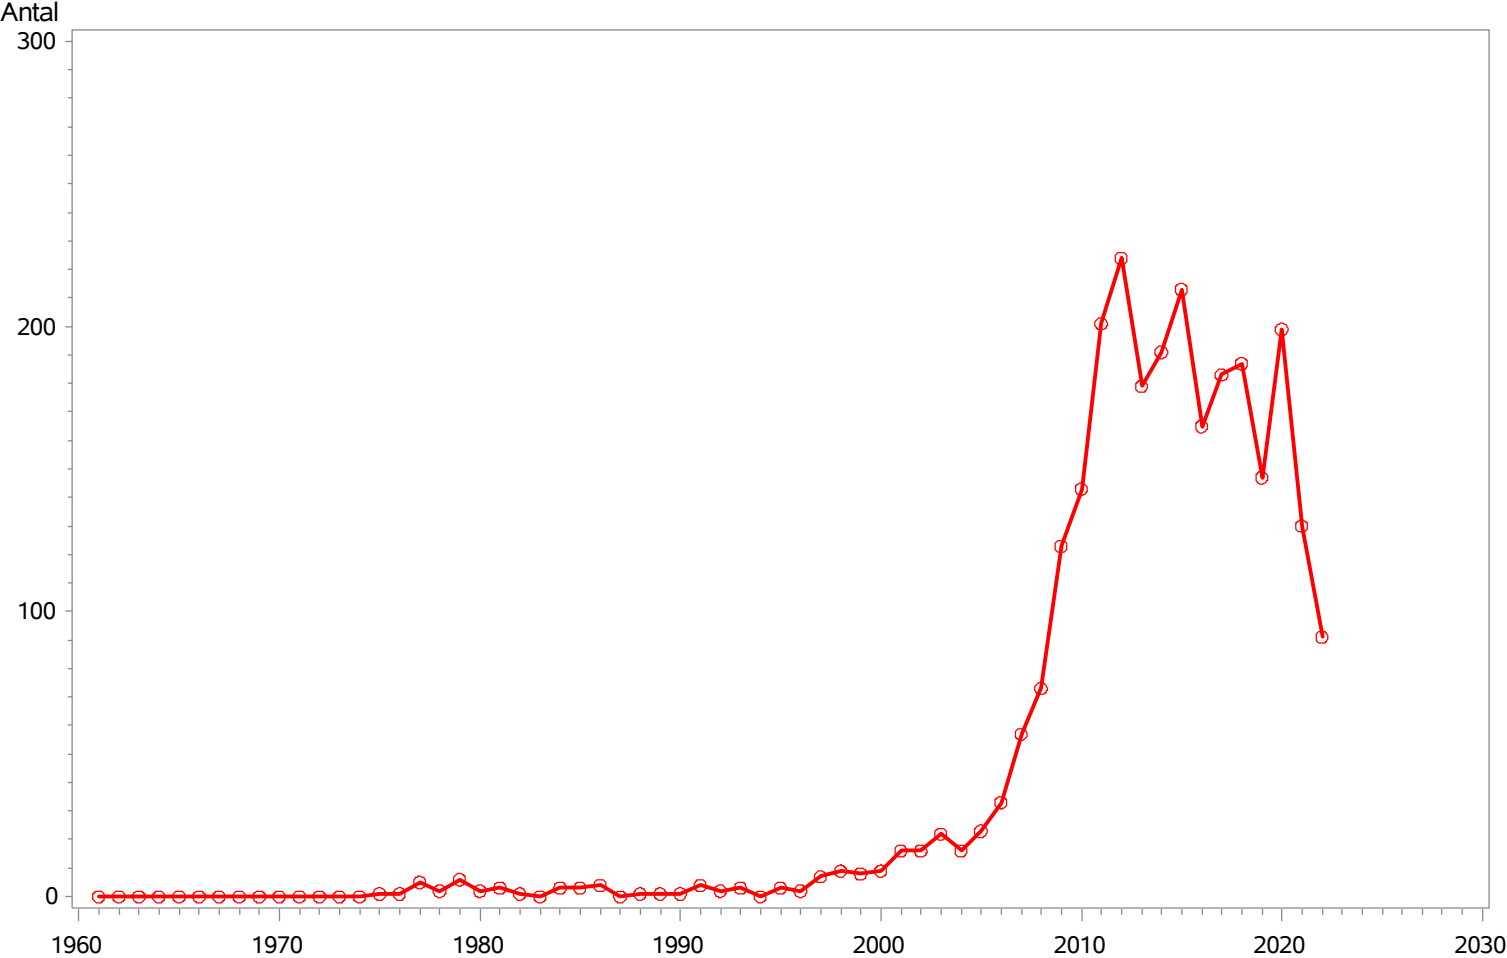

Trisomi 21 - Downs syndrom

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

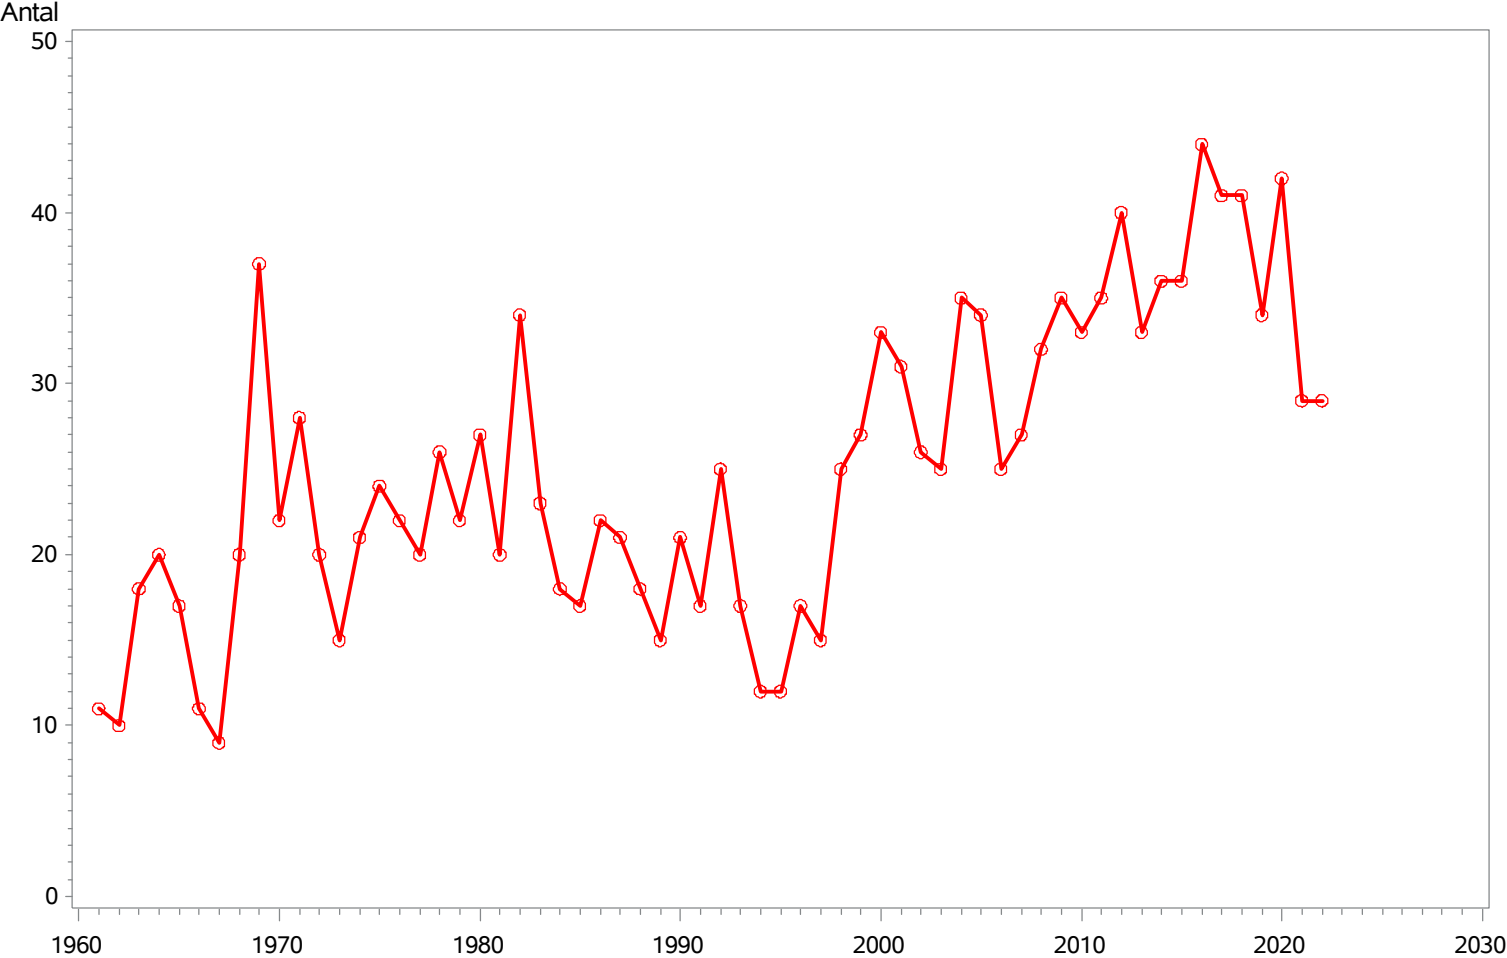

Duplikationer

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

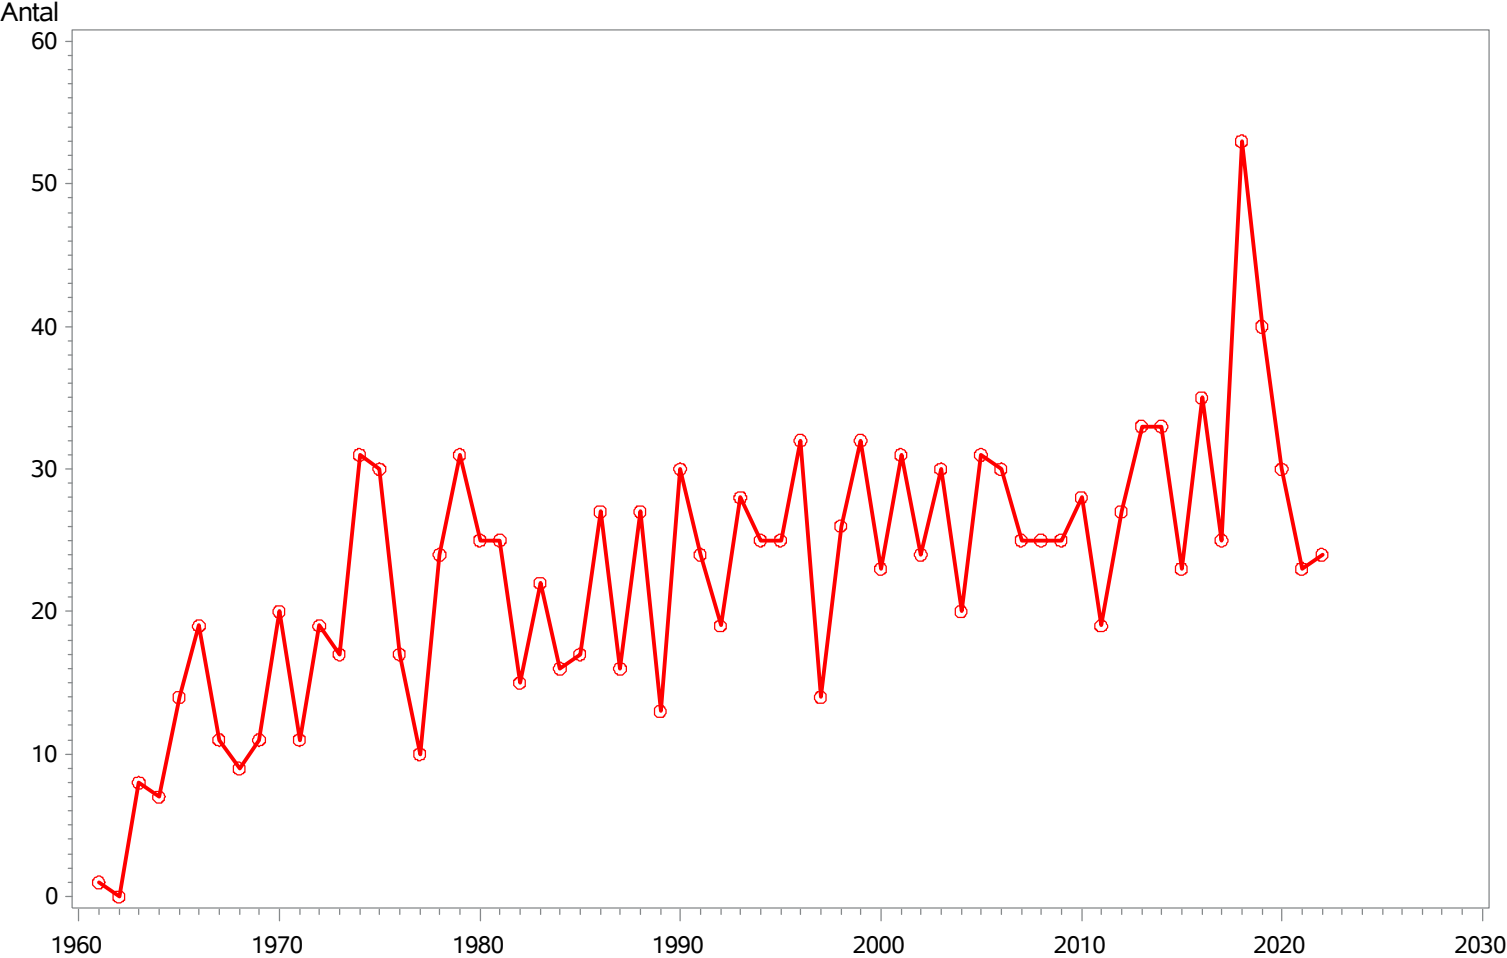

Klinefelters syndrom

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

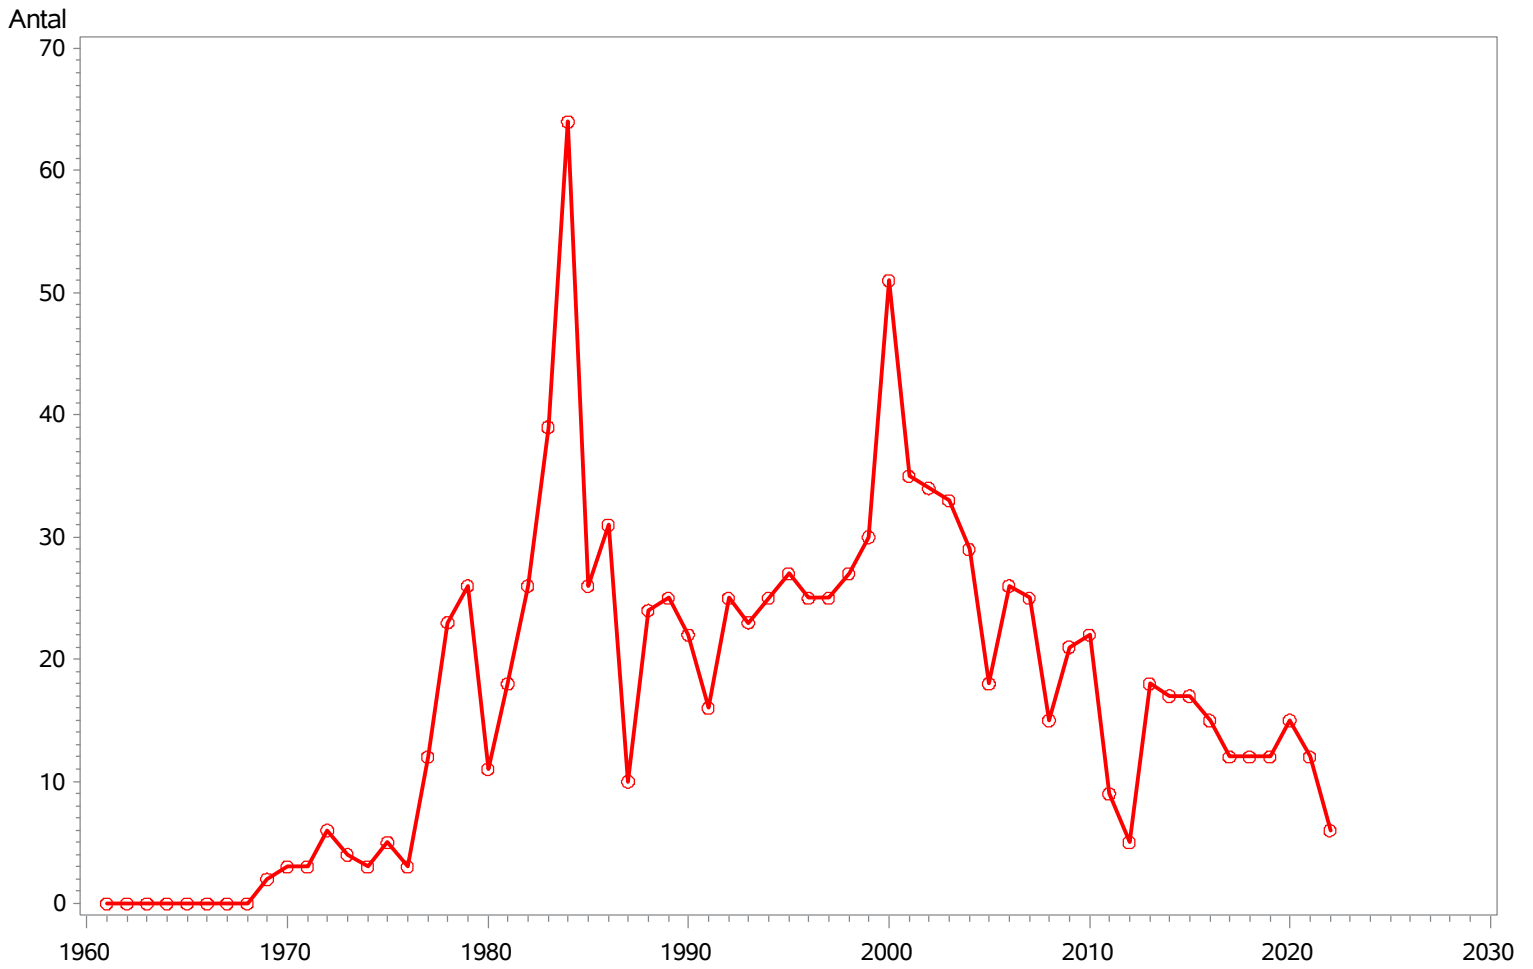

Turner syndrom

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

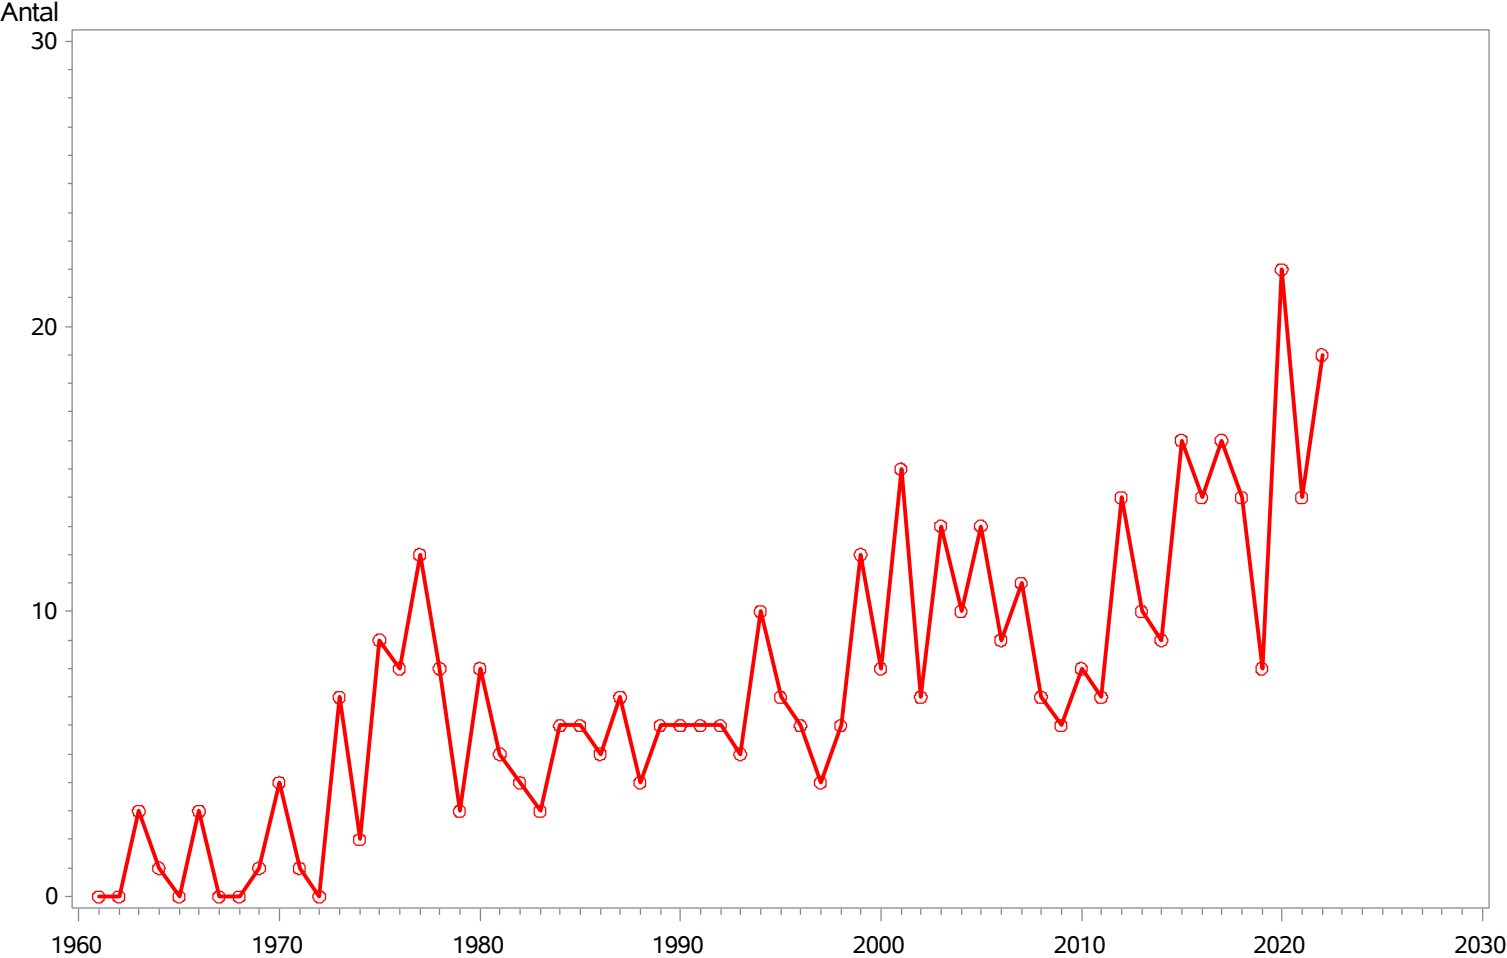

Inversioner - ikke inv(9) & inv(Y)

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

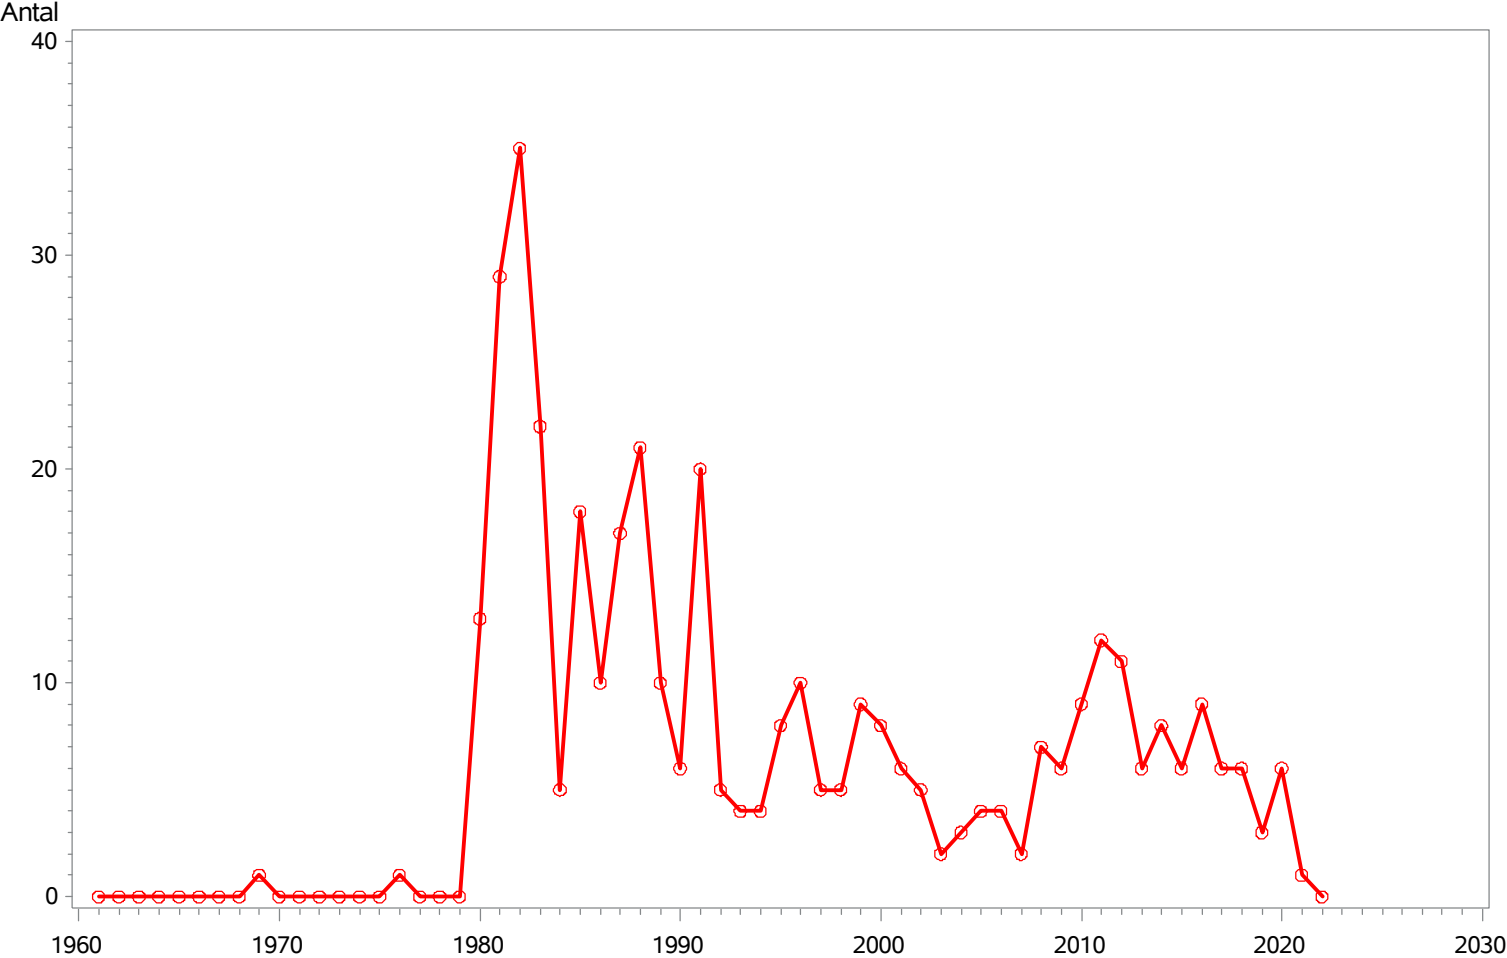

Tri-X, Tetra-X og Penta-X syndrom

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

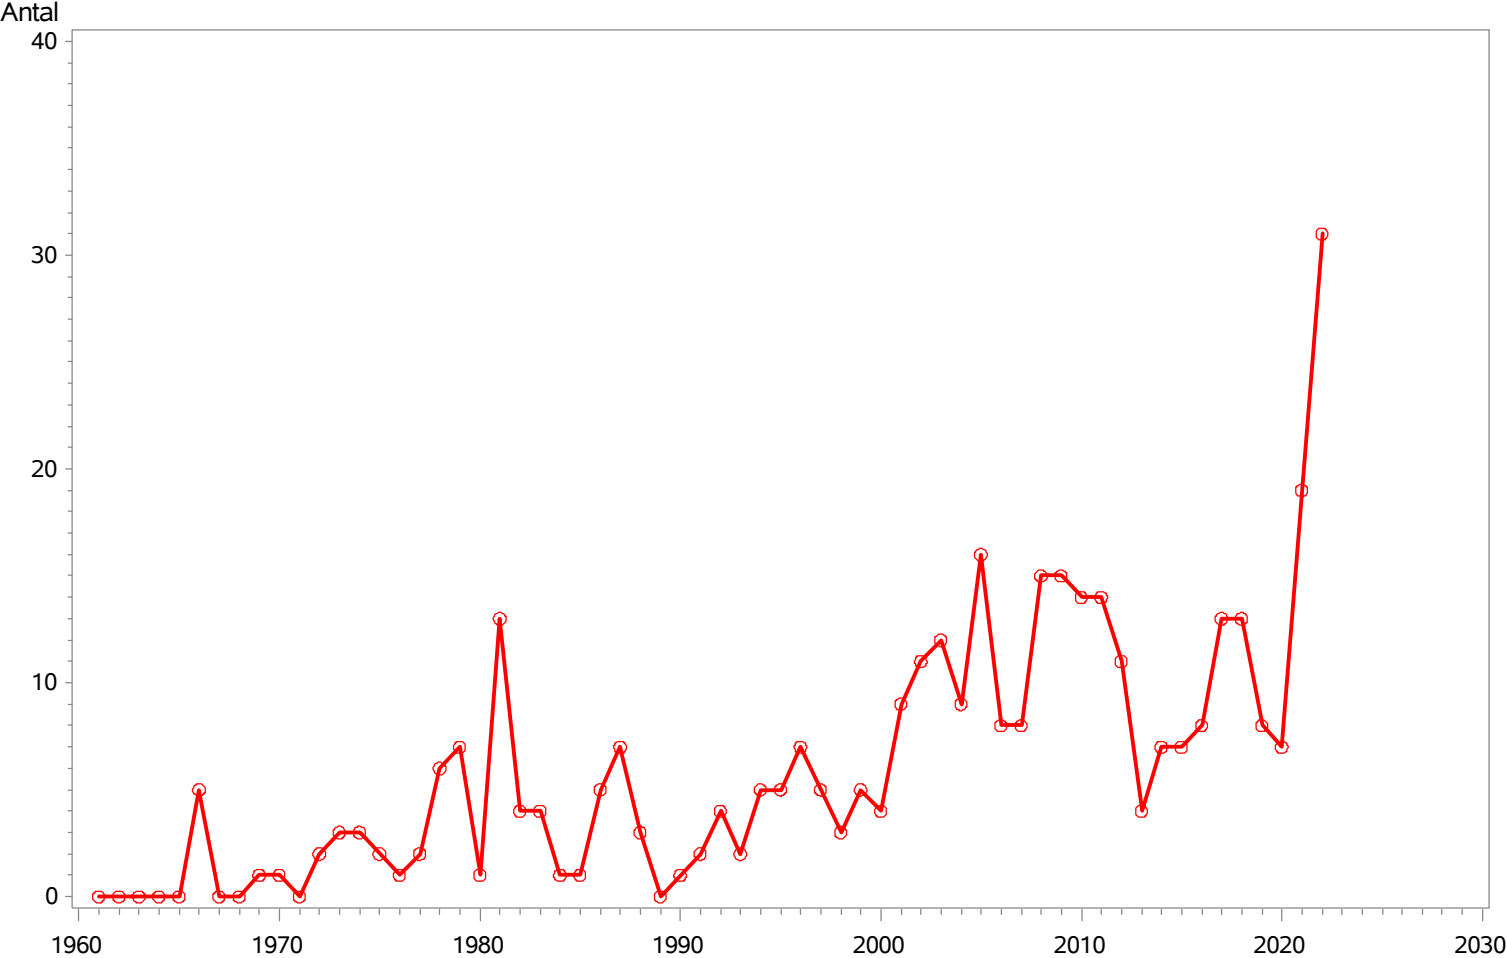

Fragilt-X syndrom

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

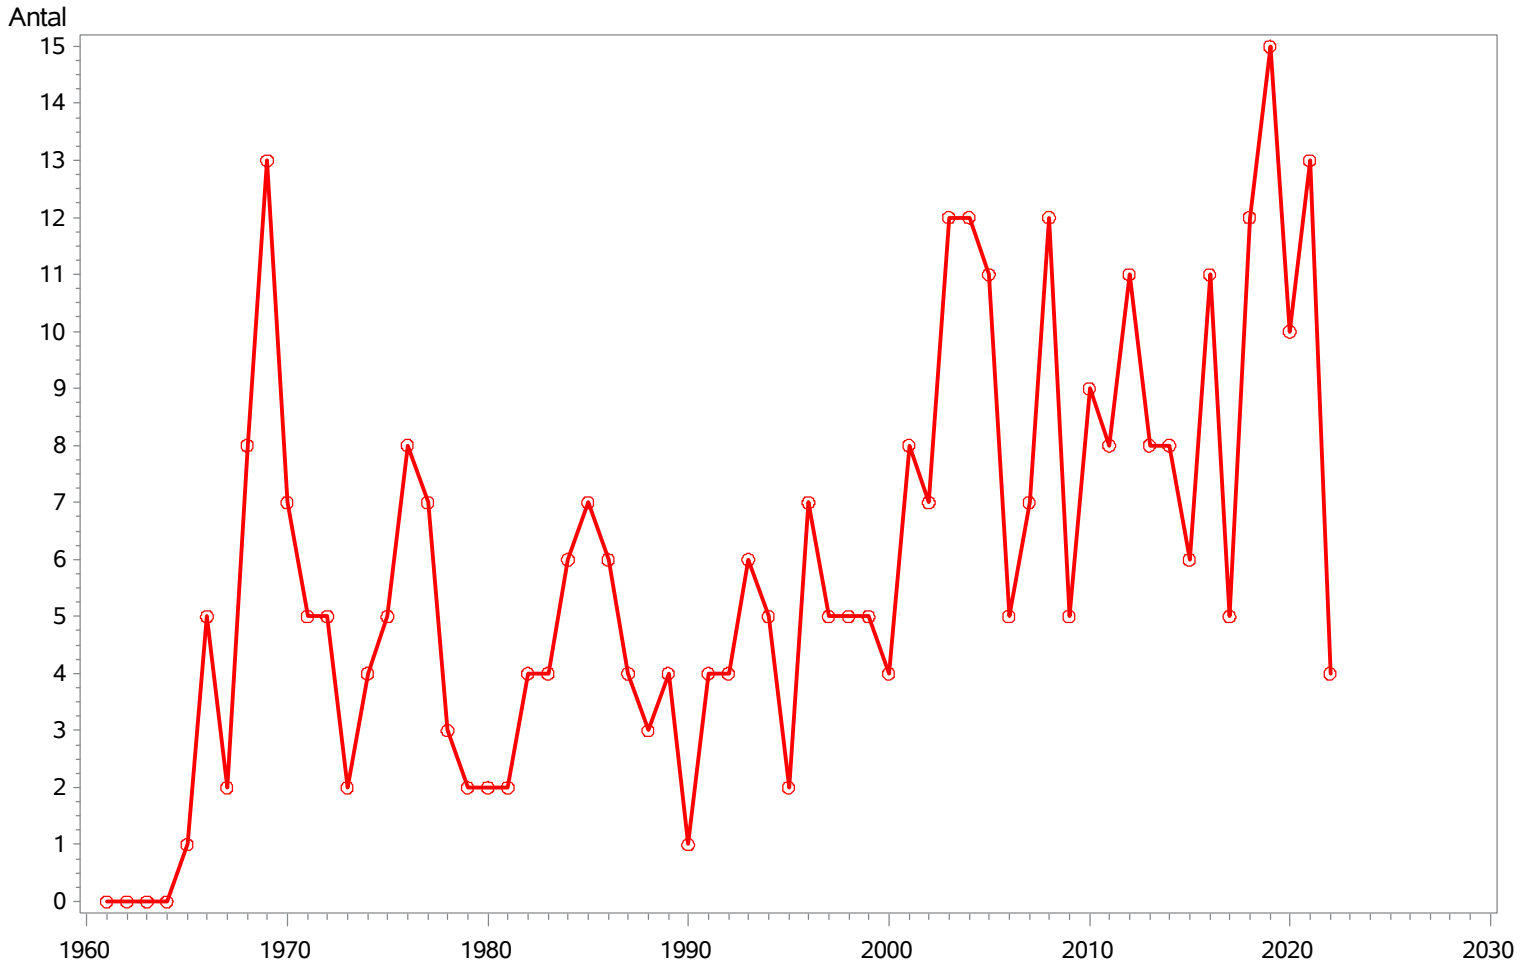

Derivater

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

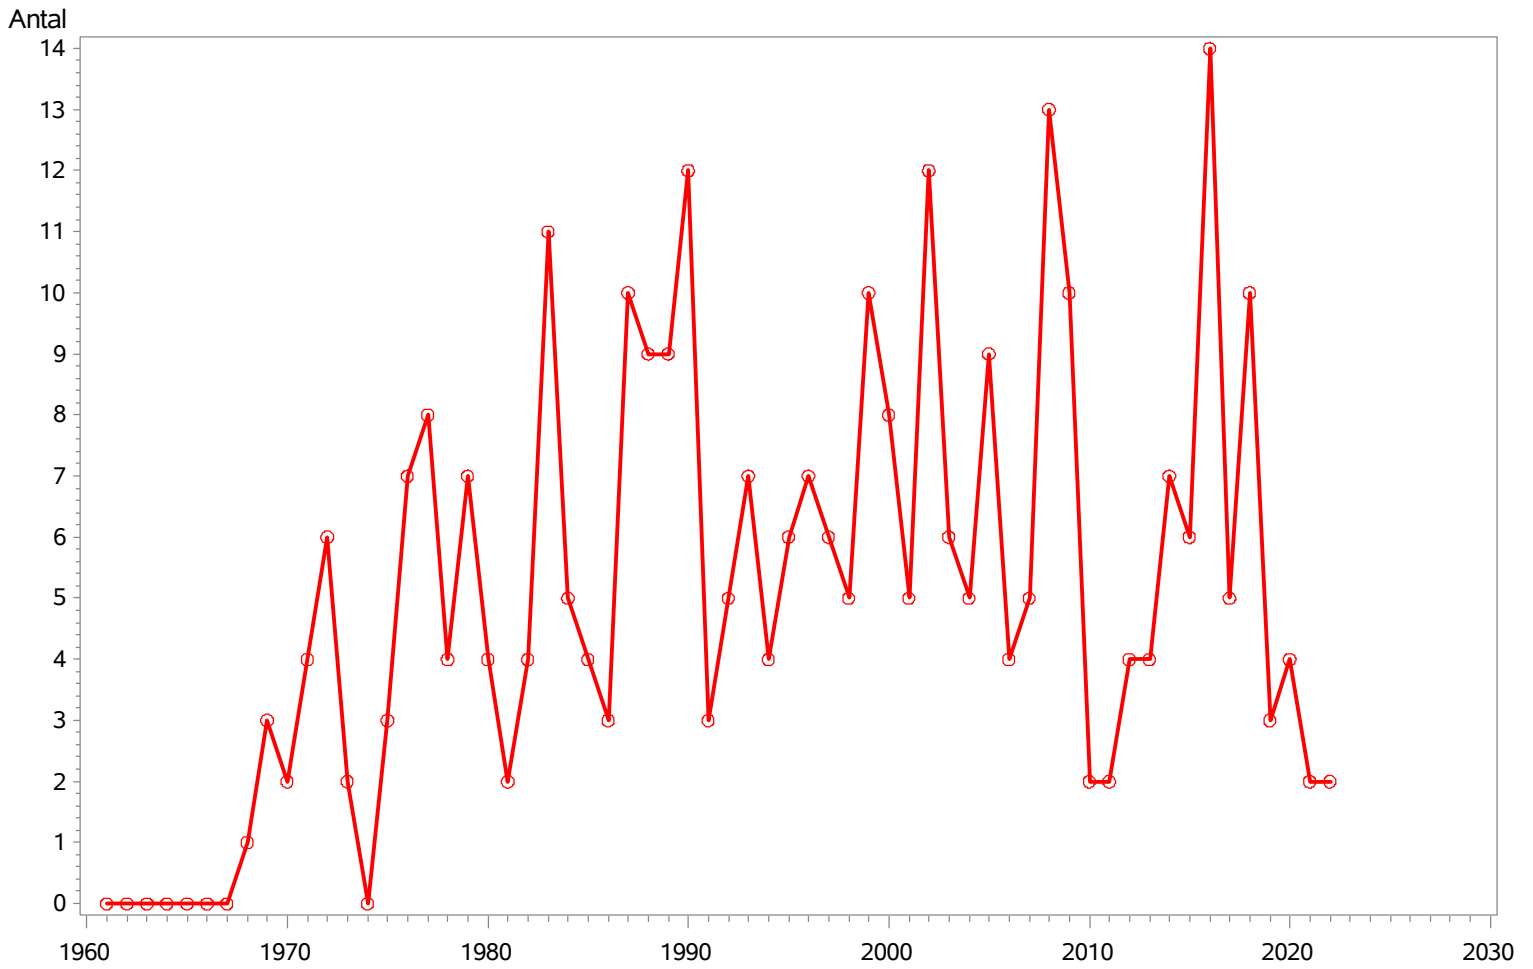

○-○-○ XYX syndrom og triple-Y

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

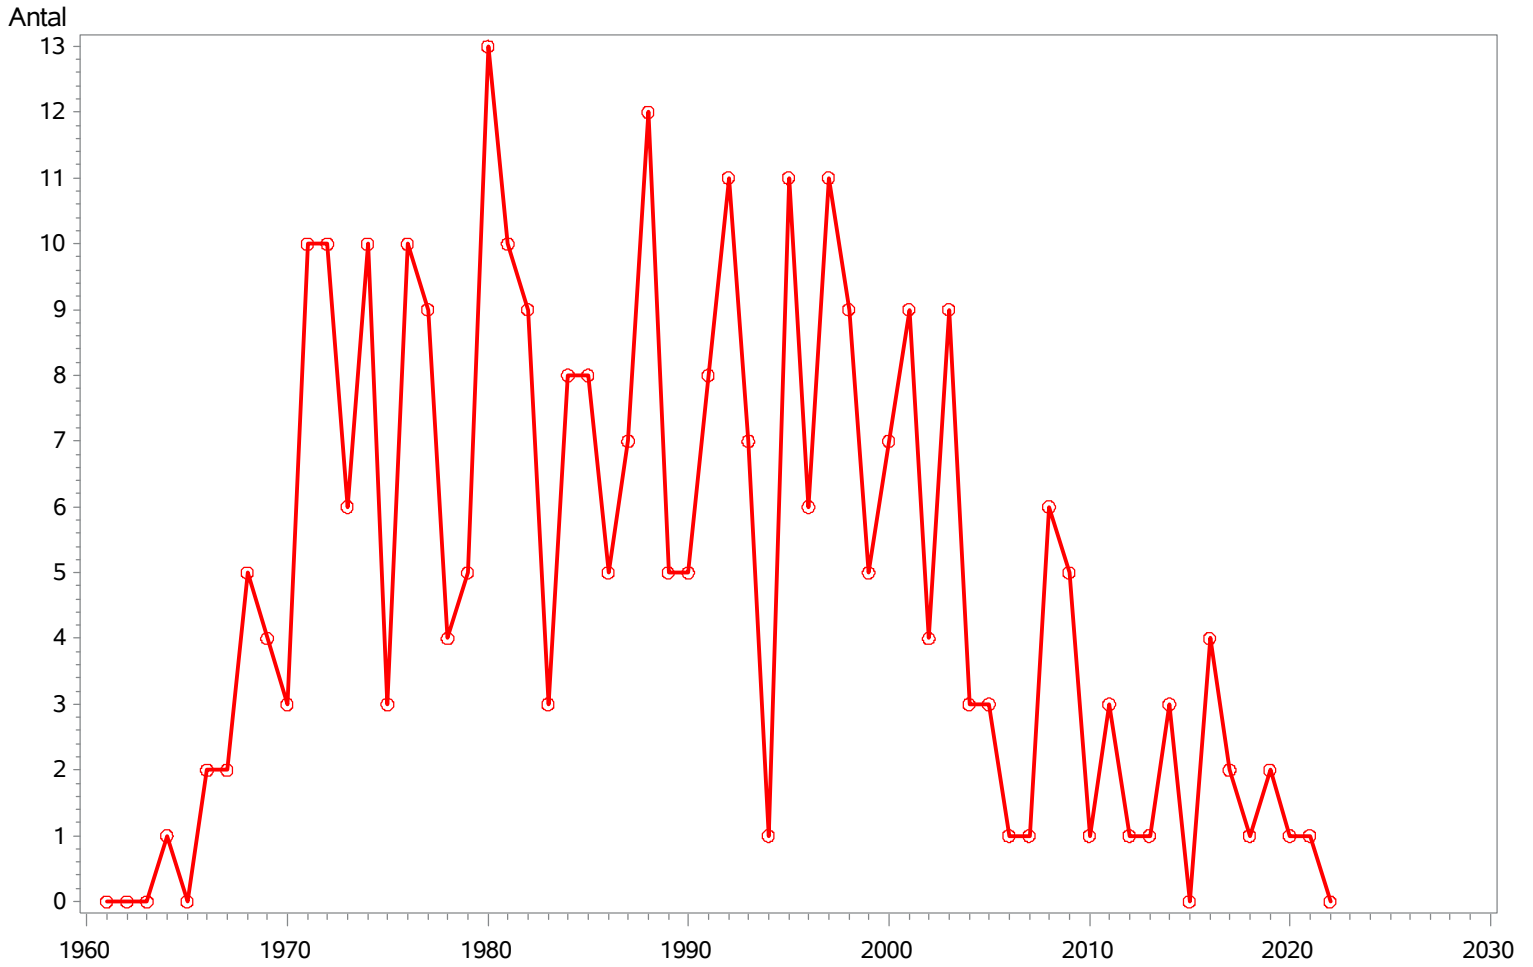

○—○ Markerkromosomer

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

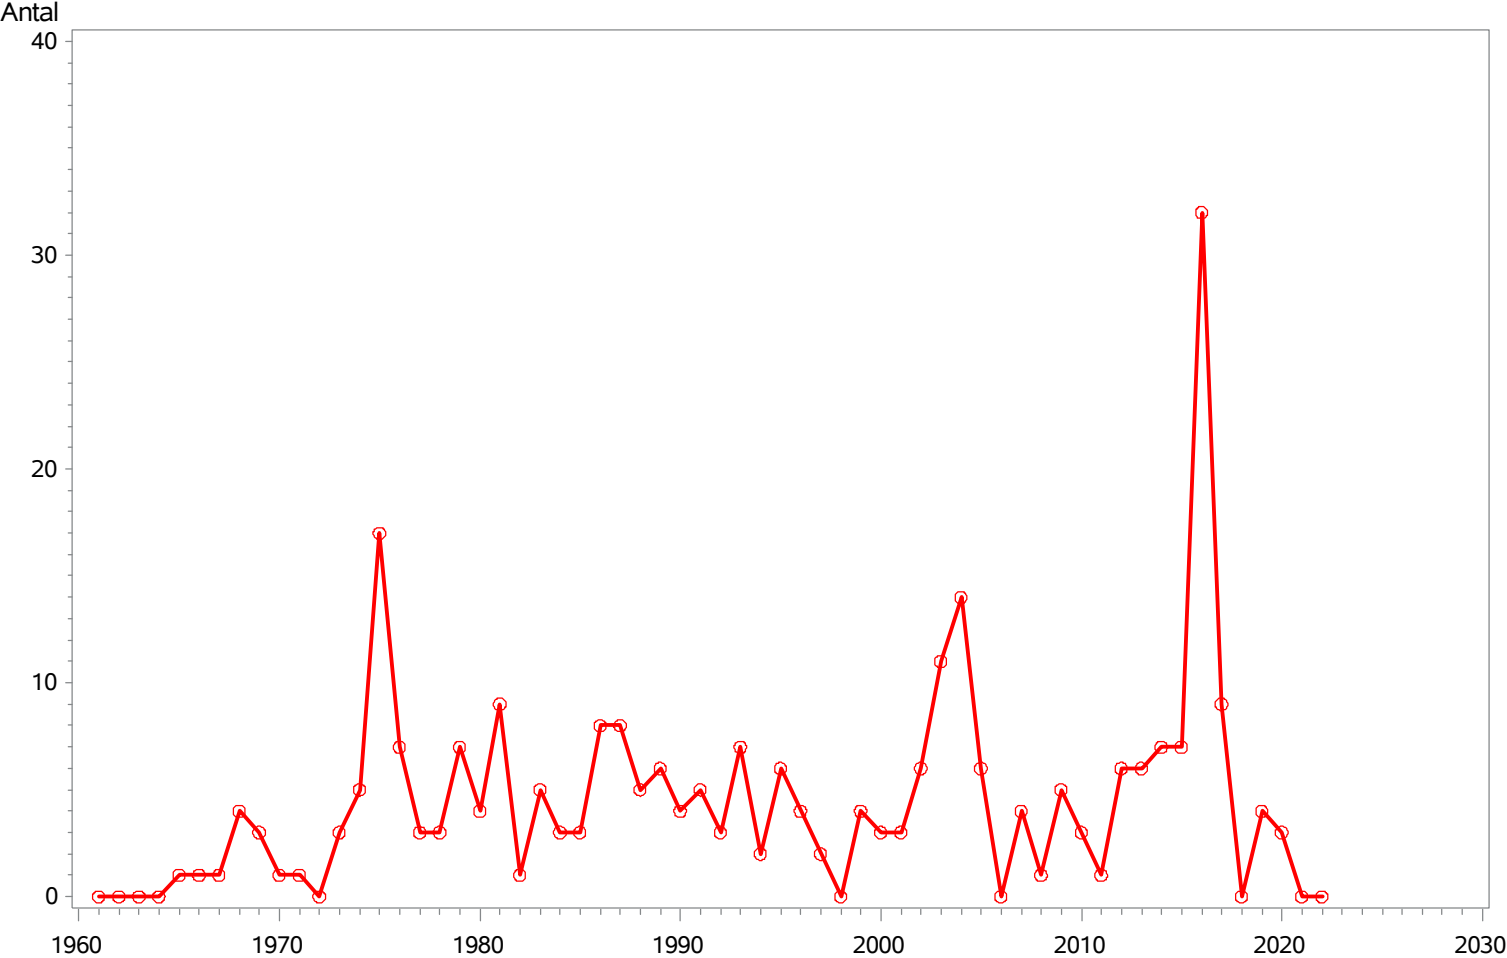

Trisomi 18 - Edwards syndrom

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

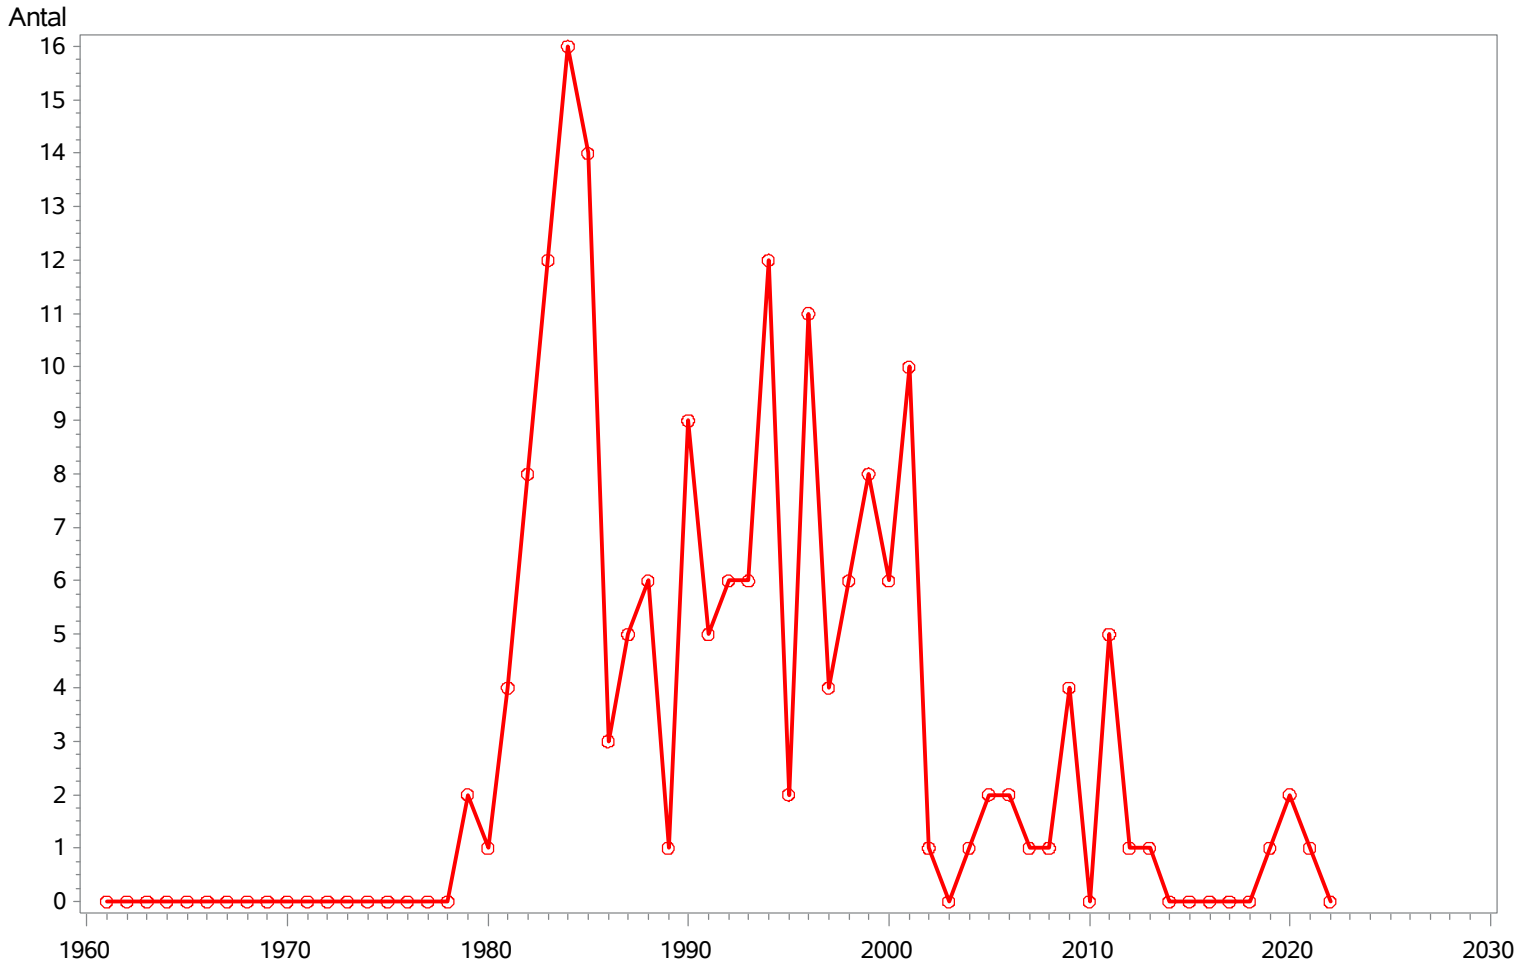

○—○ Kvinder med 46,XY (Swyers syndrom)

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

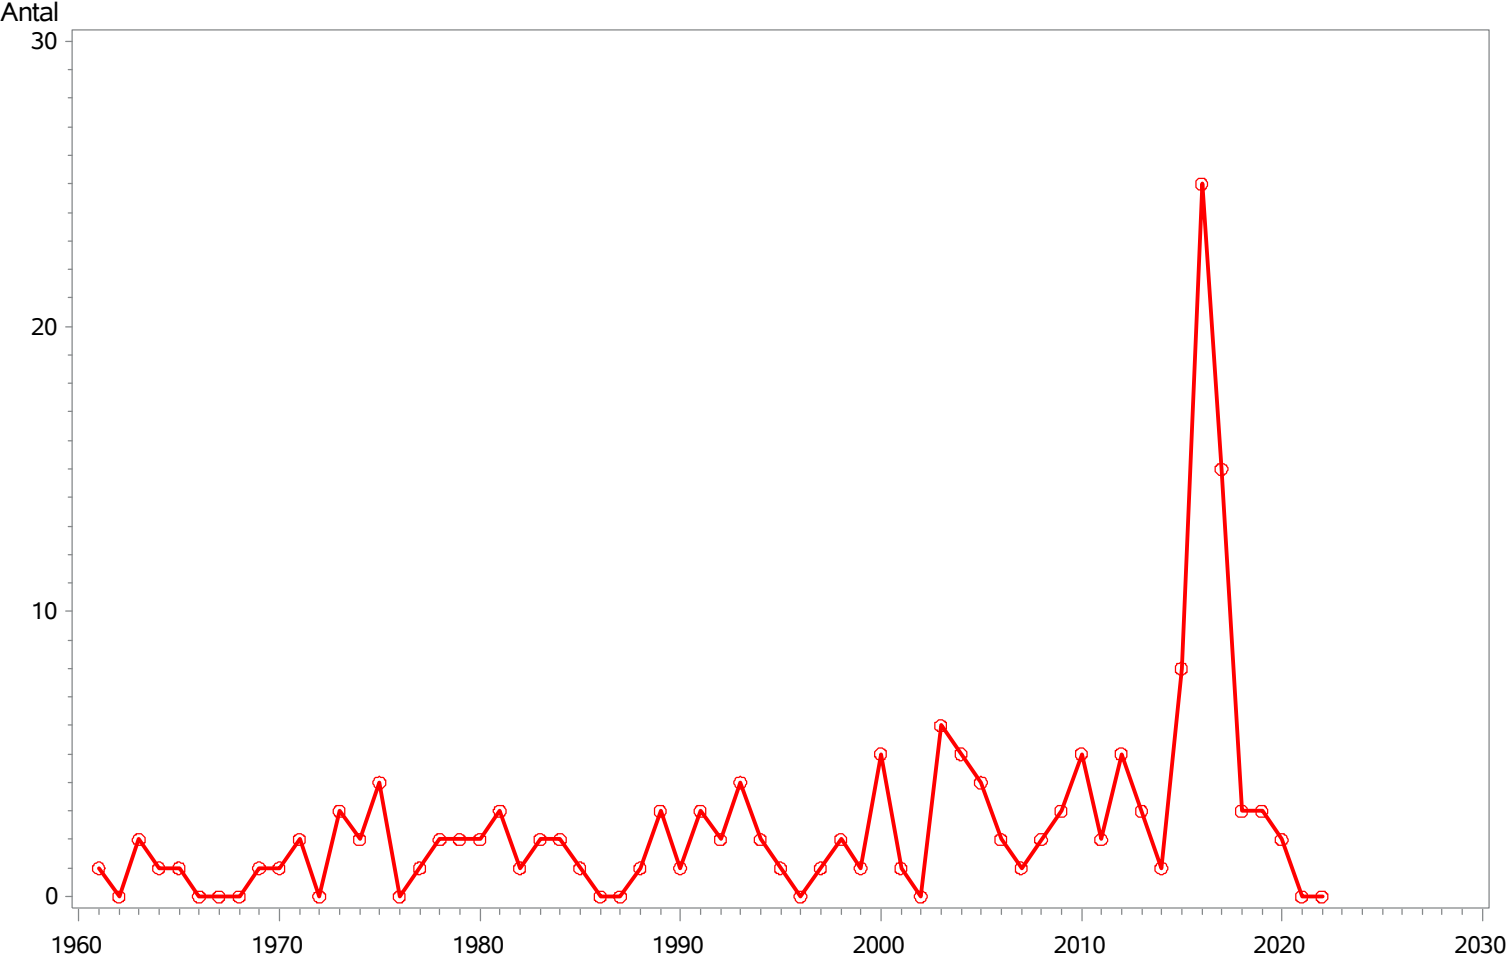

Fragile kromosomer undt fra(X)

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

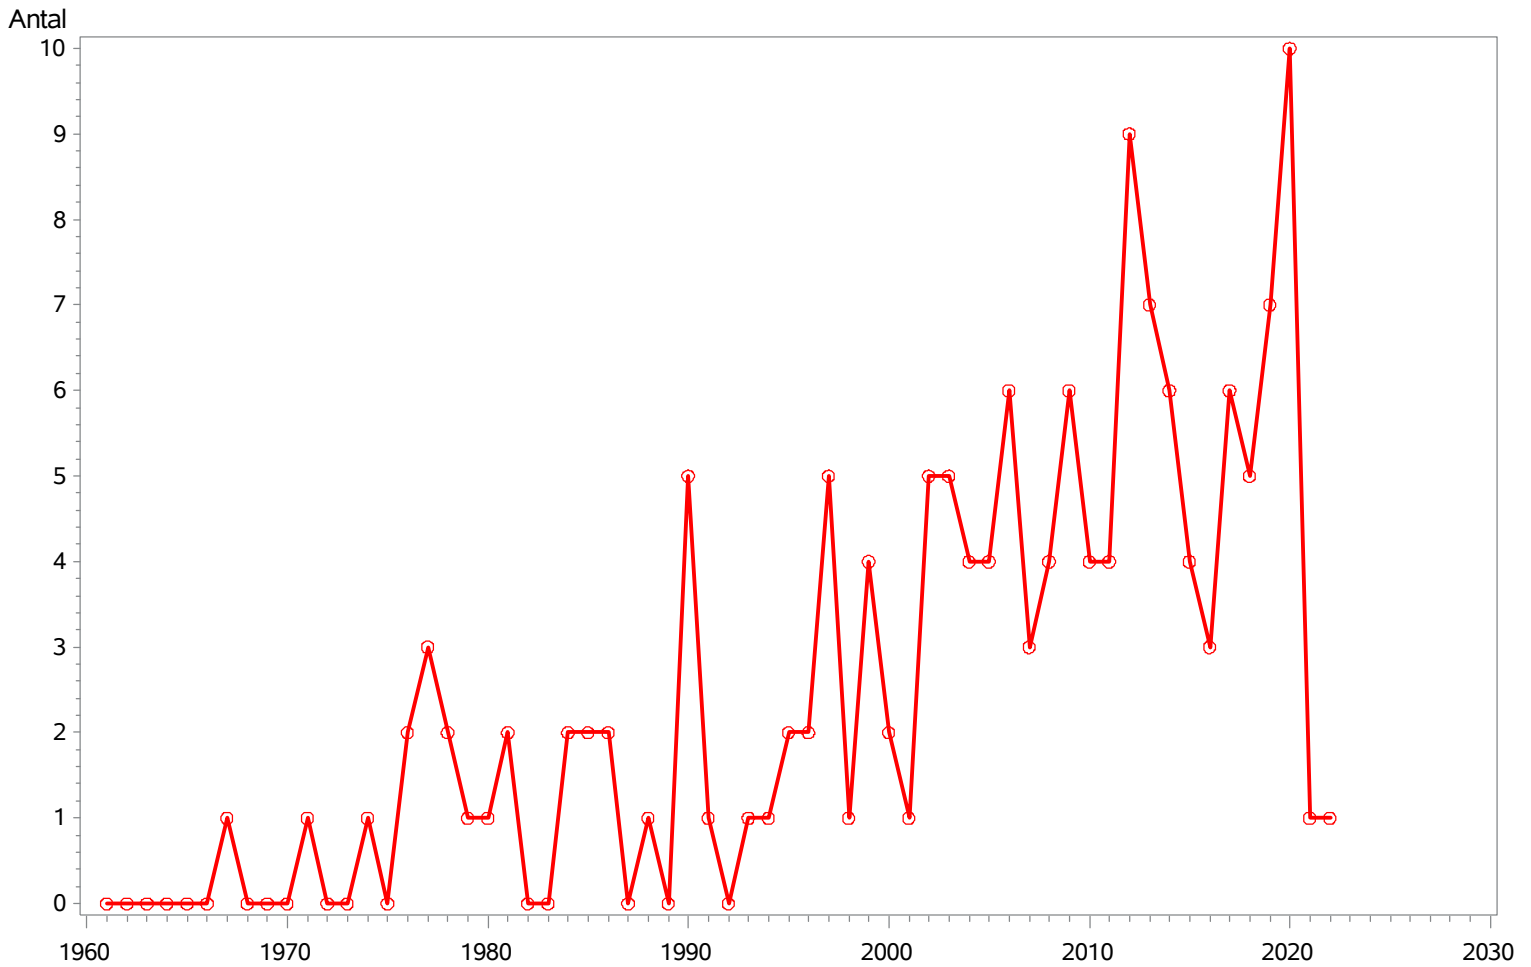

Mænd med 46,XX (XX-mænd)

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

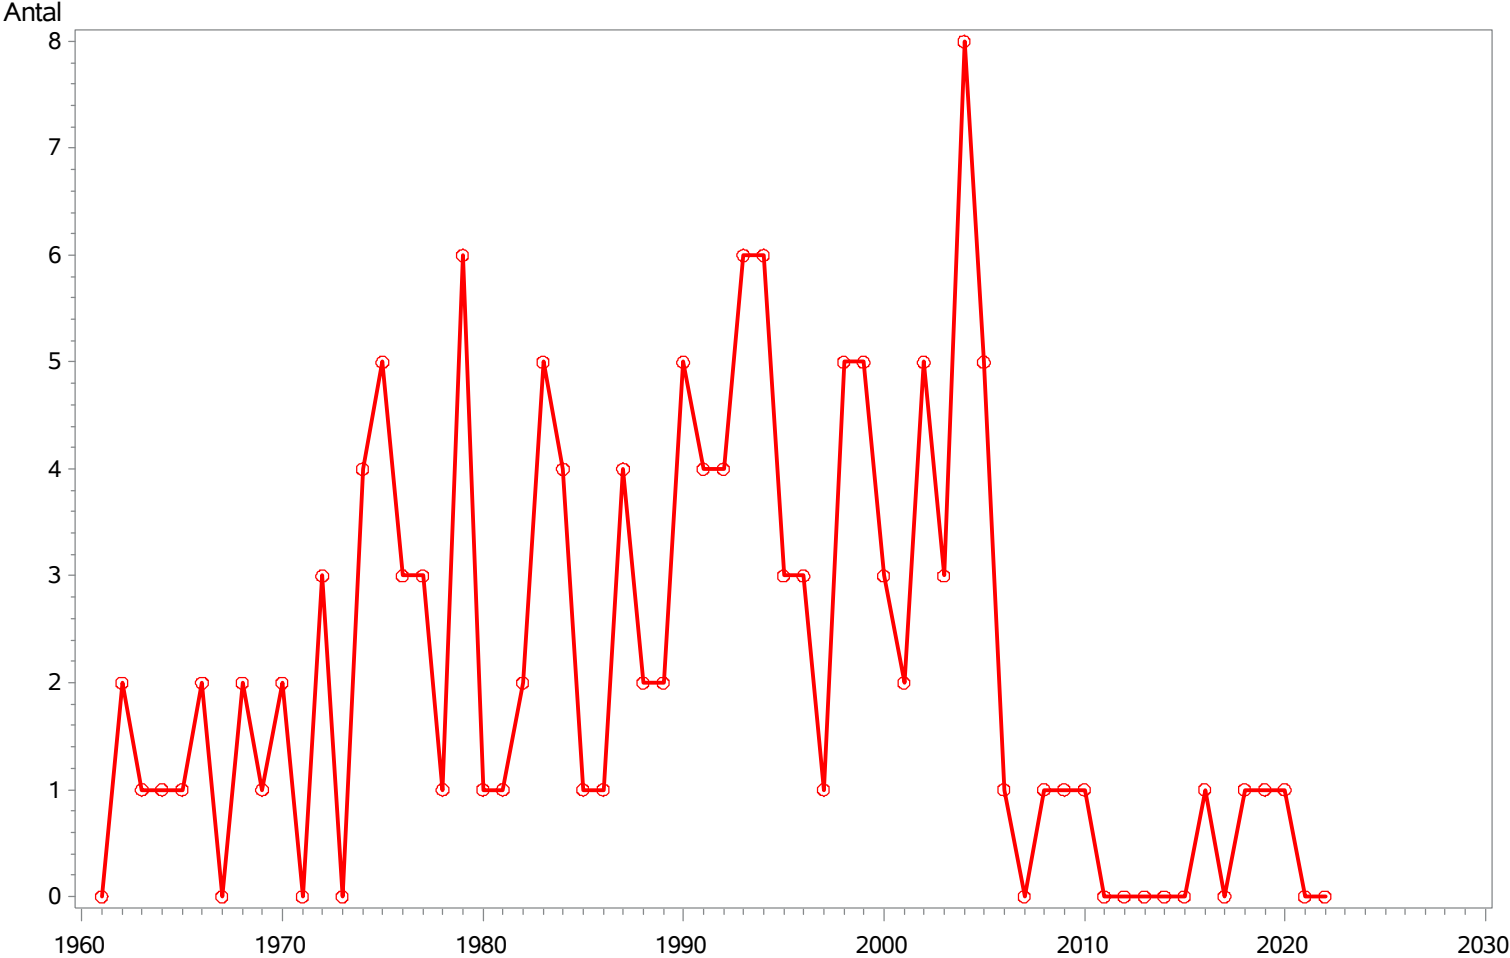

○—○ Mænd med 45,X / Turnerphenotype

Postnatale prøver 1961-2022

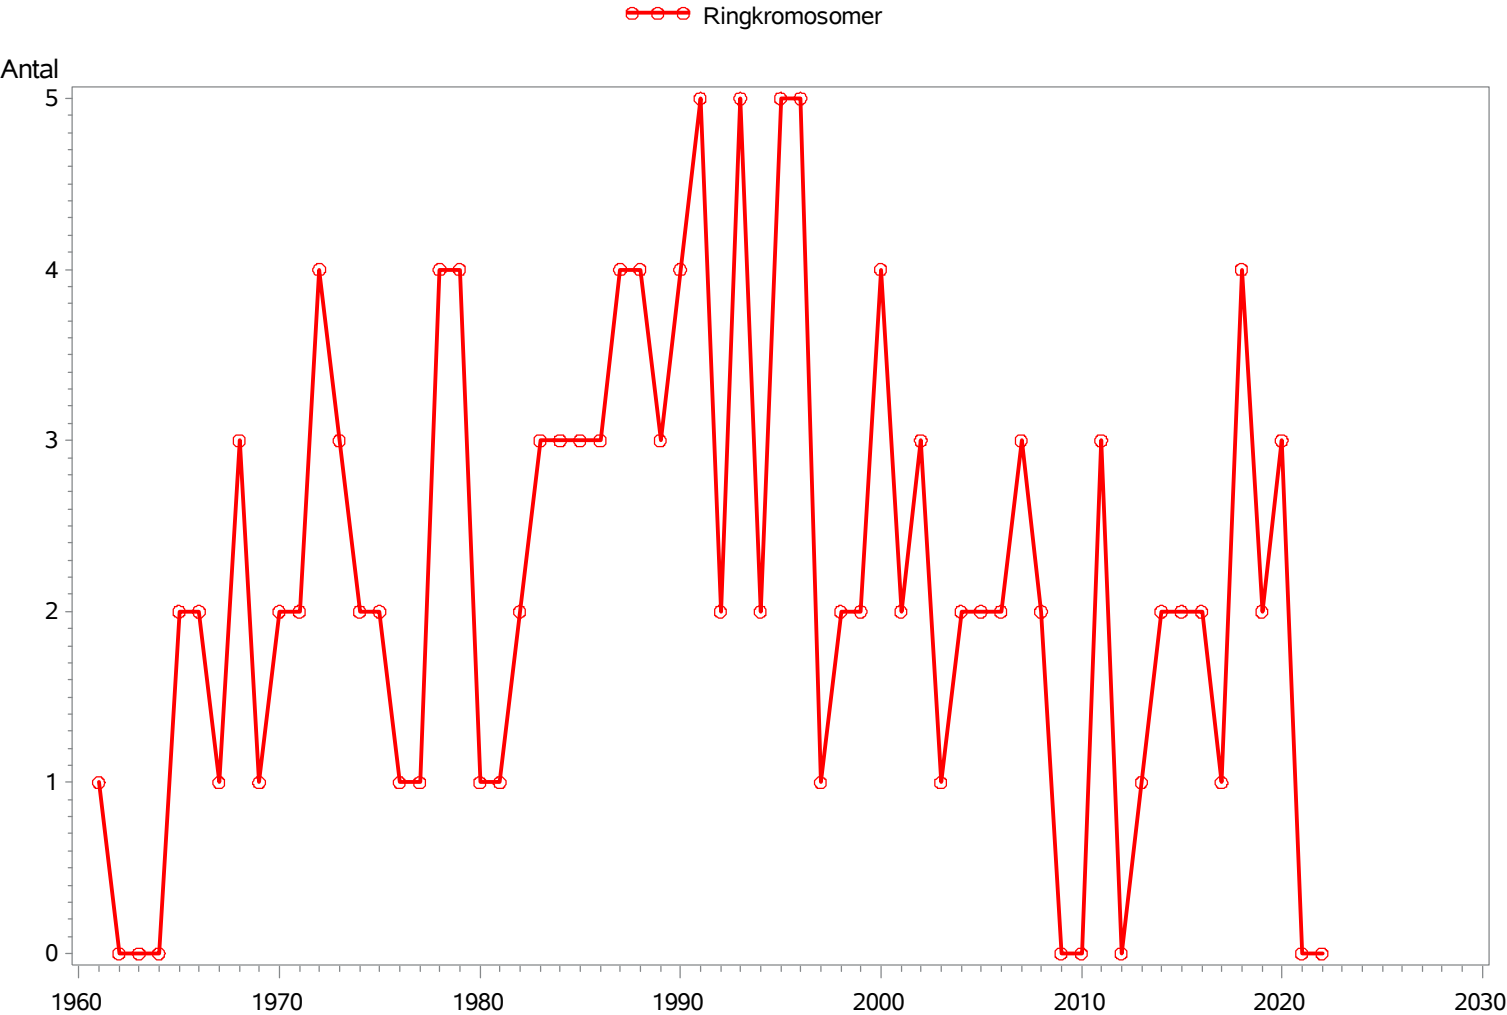

Diagnostiserede kromosomanomalier registreret i DCCR pr år

Trisomi 13 - Patau syndrom

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år

Postnatale prøver 1961-2022

Diagnostiserede kromosomanomalier registreret i DCCR pr år
