Dr. Malte Lebahn-Hadidi, Center for Shared Decision Making, Vejle, Denmark

16:00–16:15

Coffee Break

16:15–17:30

Parallel session: Unlocking Clinical Data for Secondary Use

Chaired by Mikael Petrén, Karolinska CCC, Sverige

Subtopics:

- Overview of the current state of health data use in cancer care and research.
- Key concepts, standards, and frameworks for health data interoperability and secondary use.
- Strategies for structuring, sharing, and using data effectively – balancing long-term vision with agile pilot projects.
- Identifying collaborative opportunities in the Nordic Baltic region within and beyond EUnetCCC.

16:15–17:30

Parallel session 2: Precision cancer Medicine – a Nordic-Baltic collaborative CCC based framework

Chaired by Live Fagereng, Oslo University Hospital CCC

- Introduction to newly establish Nordic Molecular Tumour Board
- Collaboration between NorTrial, SweTrial and Trial National
- Promoting cross border access to Clinical Trials
- Promoting clinical trials experience from Trial Nation

17:30–19:00

Parallel Working Sessions

A. Cancer Nursing in CCCs

Chaired by Marius Čiurlionis – National Cancer Center, Vilnius, Lithuania

- Education and training of oncology nurses
- Cross-border nursing best practices

B. Patient-Centered Engagement

Chaired by Neringa Čiakienė - Lithuanian Cancer Patient Coalition – POLA, Vilnius, Lithuania

- Patient inclusion in trial design and care models
- Integration of patient representatives in CCC governance
- Shared decision making (experience from Vejle Center for Shared Decision Making)

Day 2 – Friday, 5 December 2025

Time: 09:00–15:30

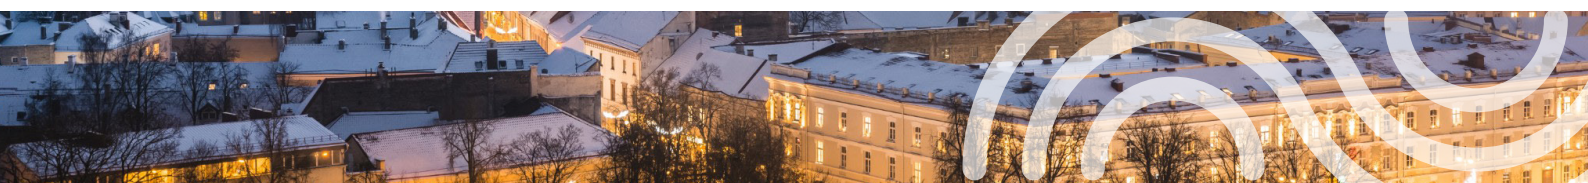

Theme: Network Governance, Patient Pathways, and Certification Alignment

Venue: AC Hotel by Marriott Vilnius (J. Tumo-Vaižganto g. 27, Vilnius, 01107)

09:00–09:45

Day 2 Kickoff and Reflections

- Summary from Day 1 by session rapporteurs
 - Summary of clinical trial session
 - Summary of secondary data use session
 - Summary of oncology nurses session
 - Summary of patient engagement session
- Q&A on summaries

09:45–11:00

Session 3: Designing & Managing Patient Pathways in CCCs

Chaired by Helena Bärgröm, Regionala cancersenter i samverkan, Sverige

Subtopics:

- How to integrate the design, management and improvement of cancer patient pathways in Comprehensive Cancer Center concept and the work of Cancer Centre Boards
- How to integrate the requirements set up for quality in cancer patient pathways in CCC certification processes?

11:00–11:15

Coffee Break

11:15–12:15

Session 4: CCC Certification Update

Chaired by Eva Jolly Karolinska CCC and Per Magnus Mæhle, OUS CCC

- Status of CCC certification across the region
 - EUnetCCC
 - OECI CCC
- Interactive Discussion

12:15–13:15

Lunch & Networking

13:15–14:00

Session 5: Nordic-Baltic CCC Network Funding and Strategic Positioning

14.15 – 14.30

Brief information about a study analysing the current CCC certification in the Nordics

Chaired by Mef Nilbert, Skåne University Hospital

14:30–15:00

General Assembly & Closing Session

Post-Meeting (After 15:00):

- Joint discussion on EU Cancer Mission opportunities
 - Facilitated roundtable on funding, projects, and collaborative proposals
- Networking with patient and nursing representatives
