Final report and notification of certificate

Dear members of the Board of Directors of Aarhus University Hospital Comprehensive Cancer Centre (AUH CCC) ,

On behalf of the Organisation of European Cancer Institutes (OEI), we are delighted to inform you that the OEI Accreditation and Designation Board has approved the final report, which includes the report of the visit of 26 and 27 March 2026, and has subsequently decided to certify your centre. Your centre has been designated as an OEI Comprehensive Cancer Centre.

We congratulate you with this major achievement!

An additional paper certificate will be presented at the Warsaw 2026 General Assembly. Furthermore, two certificates on plate and two on paper will be sent to your centre from the OEI Liaison Office. Kindly provide the name of the designated recipient, the delivery address, and a contact phone number by emailing oei@oei.eu.

The certificate will state the following:

*Aarhus University Hospital Comprehensive Cancer Centre (AUH CCC)
Aarhus, Denmark*

has met the quality standards for cancer care and research and is hereby designated as:
OEI Comprehensive Cancer Centre

The certificate is issued on 20 May 2026 and will remain valid until 20 May 2031. Please note that a one-year follow-up of the actions and deadlines outlined in your action plan will take place in May 2027.

We look forward to continuing our fruitful collaboration within the OEI Accreditation and Designation Programme.

On behalf of the OEI and the Accreditation and Designation Programme,

Dr. Giovanni Apolone
OEI President

Prof. Mef Nilbert
Chair, OEI Accreditation and Designation Board
